ABOUT RGUKT

Rajiv Gandhi University of Knowledge Technologies (RGUKT) was established in 2008 through Act 18 of Government of Andhra Pradesh to offer primarily technical education in emerging areas. The motto of the University is to cater to the educational needs of 'gifted rural youth' of Andhra Pradesh. The University is located in four campuses – R.K. Valley, Nuzvid, Ongole and Srikakulam. The intake per year is 1000 in each campus. At present, RGUKT offers six year integrated B.Tech programme with 2 year PUC + 4 year B.Tech.

B.Tech program is offered in the following branches - Chemical Engineering, Civil Engineering, Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communications Engineering, Metallurgical and Materials Engineering and Mechanical Engineering. The university is fully residential, and accessible to both boys and girls with 'learning by doing' as predominant learning strategy. Based on parental Income of the student, the Government of Andhra Pradesh provides scholarships to eligible students.
