

**RAJIV GANDHI UNIVERSITY OF KNOWLEDGE TECHNOLOGIES
(Act 18 of 2008)**

**Vindya C4, IIIT-H Campus, Gachibowli,
Hyderabad – 500 032**

Press Note

RGUKT students secured some of the high ranks in GATE 2014 . The ranks include 8 , 25 , 30 ,57 and 75 in the All India list to secure admission into M.Tech programme offered by premier institutions of the country.

28 Mar 2014, Hyderabad- GATE results for admission into M.Tech programme were released yesterday at 09:30 PM on 27 Mar 2014 and students of the RGUKT have secured some of the high ranks. T. Naveen, an Electronics and Communication Engineering (ECE) branch from Basara campus secured 8th rank at all India level. Some of the high rankers are G. Mahesh of ECE secured 25th rank from Nuzvid campus, G. Sreeramulu Naidu of ECE got 30th rank from Nuzvid, R. Neelima of ECE from Nuzvid campus got 57th rank and L. Kartheek of MME branch got 75th rank, as per information known, so far. These students are in their final year and secured these good ranks with no extra coaching taken for GATE.

RGUKT is a new technical university established by Government of Andhra Pradesh in the year 2008 with a commitment to provide high quality engineering education to highly talented and meritorious rural youth of the state. This university has three campuses namely (i) RGUKT Basar,(ii) RGUKT Nuzvid (iii) RGUKT RK Valley.

About 85% of the students of RGUKT are from rural areas who are deprived of opportunities for education of a good quality. The students are admitted on merit order of their performance in class X with a consideration given for students from rural and government schools. The pedagogy of RGUKT is a hybrid of teaching through video or live lectures and learning by doing.

Education is offered in 6 branches of engineering (Civil, Chemical, Computer Science & Enng, Electronics & Communications, Metallurgical & Materials, Mechanical) and the first batch students of this university are pursuing their final semester and will be graduating in May 2014 from our three campuses.

About GATE 2014:

Graduate Aptitude Test in Engineering (GATE) is a national level examination that tests the comprehensive understanding of the candidates in various undergraduate subjects in Engineering/Technology/Architecture and post-graduate level subjects in Science. The GATE score is used for admissions to post-graduate programs (eg. M.E., M.Tech, direct Ph.D.) in Indian institutes of higher education with financial assistance provided by MHRD and other Government agencies. The score is also used by many Public Sector Undertakings for employment screening purposes.
